

SCCA Swim Team Parent Expectations for Swim Meets and Practices

1. All fees and swim team paper work must be submitted on the due date. If the team does not receive fees or paperwork your swimmer(s) will not be allowed to participate on the team (i.e. practice or meets) until all paperwork and fees are submitted.
2. Swimmers must be picked up in a timely manner after all practices. Coaches have other commitments after practices and cannot be responsible to stay late.
3. Make sure your swimmer(s) is signed up by the deadline for weekly swim meets. (Coaches cannot accommodate last-minute additions on the day of the meet.)
4. Your swimmer(s) can request which individual events they would like to swim at meets, but the final selection of events are the Coaches' decision.
5. If your child has signed up for a swim meet and can no longer make it, please notify the Head Coach via email (sharksscca@gmail.com) no later than noon two days before a meet.
6. Communication with coaches is to be done through the swim team e-mail. Parents are not to contact coaches through personal e-mail or their personal phone numbers.
7. Respect the coaches' time – especially when they are at the pool and working with children. Parents are not to coach their swimmers during practice or meets. Parents are also not to interrupt coaches during practice. We understand you may have questions, but please either speak with a swim team board member first or use the swim team email address to contact them.
8. Our team emphasizes Good Sportsmanship with the swimmers. Please understand and display appropriate meet and practice behaviors (e.g., watch; make positive remarks; do not berate or argue with swimmers, officials, board members or coaches).
